

Says

What have we heard them say?
What can we imagine them saying?

improving digital and physical infrastructure, and delivering 'world class' public services

All people should vote

Graduate women are given stipend at the time of marriage

Unemployment will be reduced

Allowance will be given to the disabled

Electricity is free for farmers

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Come up with good ideas

Work tirelessly for the people

Be true to people

Do what people want

To be touch with all people

Good personality

POLITICS

We vote

If our problems are not resolved we can complain to the higher up

vote without paying

Let's choose good leaders

We should tell our problems

No fraudulent voting

Our assumption is correct

Our assumption is wrong

They are all helpers for us

All our worries are going away

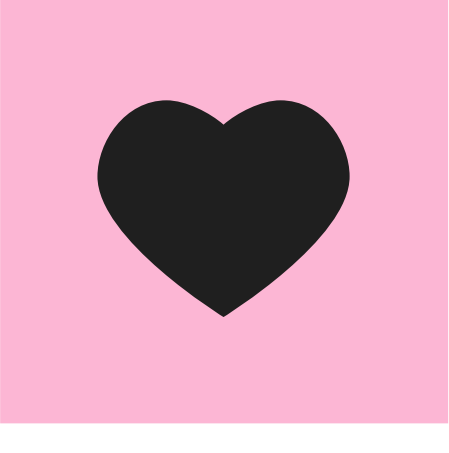

Our labor is not in vain

They are not suitable for this post

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
